## Trading Course — Terms & Conditions

Please read carefully before enrolling. By enrolling, you confirm you have read, understood and agreed to these terms.

### 1. Educational Purpose Only

This course, all accompanying material, live sessions, recordings and any communication from Trader Yoda or its instructors are provided solely for general educational and informational purposes. Nothing in this course constitutes investment advice, financial advice, trading advice, or a recommendation to buy, sell or hold any financial instrument.

### 2. No Guarantee of Results

Trader Yoda makes no representation or warranty, express or implied, as to the accuracy, completeness or suitability of the course content. Past performance, backtested results, or any examples shown during the course are not indicative of future results. No guarantee of profit or trading success is made or implied.

### 3. Risk Disclosure

Trading in forex, equities, derivatives, commodities, cryptocurrencies or any other financial instrument carries a high level of risk and may not be suitable for all participants. Participants may lose part or all of their invested capital. Participants should only trade with money they can afford to lose and are strongly advised to seek independent financial advice before making any trading decision.

### 4. No Liability for Losses

Trader Yoda, its founders, instructors, employees, agents and affiliates shall not be held responsible or liable, directly or indirectly, for any trading losses, damages, costs or consequences of any kind arising from a participant's trading activity, whether based on concepts taught in this course or otherwise. All trading decisions and their outcomes remain the sole responsibility of the participant.

### 5. Independent Decision-Making

Every participant trades at their own discretion and at their own risk. No instructor, employee or representative of Trader Yoda is authorized to manage a participant's trading account, place trades on a participant's behalf, or guarantee any outcome.

### 6. No Advisory or Fiduciary Relationship

Enrollment in this course does not create an investment-advisor, broker-client or fiduciary relationship between the participant and Trader Yoda. Trader Yoda is not a registered investment advisor or broker-dealer.

### 7. Intellectual Property

All course material, presentations, strategies, notes, videos and recordings are the proprietary property of Trader Yoda. Participants may not copy, reproduce, distribute, resell or publicly share any course material without prior written permission.

### 8. Confidentiality

Participants agree to keep session recordings and shared material for personal learning purposes only and not to redistribute them to any third party.

### 9. Code of Conduct
